

GRAND RIVER EMPLOYMENT AND TRAINING EMPLOYER SURVEY 2011

Local employers are the backbone of any community! We want to hear from you....community employers!
Please join us in building a strong, vibrant, diverse and competitive labor force ...your voice is important to us!

The GRAND RIVER AND EMPLOYMENT TRAINING (GREAT) staff, Karen Bomberry and Ed Hannigan will be calling on employers to talk about what employers need in terms of jobs and skills.

The results of the Employer Survey will help GREAT develop and deliver a more flexible range of employment and training activities based on local employer needs.

We thank all participating Employers in advance for their support! If you would like to participate in this survey or you have questions, please contact Caron Smith 519-445-4761.
