- Maintain professional and technical knowledge by attending educational workshops/conferences; reviewing professional publications; establishing personal networks
- Provide support to the Human Resources Manager including assisting with strategic planning and keeping the HR team informed about human resources matters
- Supports the Human Resources Assistant as required

Accountability 2: General Human Resource Management and Support (75%)

- Participates in full cycle recruitment process and position management while adhering to KEC strategic objectives
- Facilitates effective recruitment, selection and retention programs
- Support KEC in filling vacant positions through sourcing, screening, interviewing and selecting candidates
- Provide advice and guidance to hiring managers and supervisors on the recruitment process, terms and conditions in offers of employment and potential legal issues
- Conduct new employee orientations
- Advise managers, supervisors and employees on employee relations issues including staff retention
- Facilitate employee conflict resolution and provide advice and guidance to managers and supervisors related to conflict management
- Ensure compliance with policies and standard operating procedures

- Support the implementation of ongoing human resource programs
- Educate team members on human resource policies, procedures, and processes
- Facilitate the annual performance management program including the development of performance metrics and ensuring consistent practice across the organization
- Identify issues that impact morale, effectiveness, turnover, absenteeism, and productivity
- Provide advice and guidance to managers and supervisors related to performance issues, required coaching and appropriate disciplinary action
- Assist with compensation discussions and transparency of information
- Facilitate employee benefits program and support execution
- Formalize compensation terms for employment offers
- Advise and educate managers and employees on the administration of all compensation and benefits programs
- Assist assessing of employee training and development needs and identifying appropriate developmental opportunities
- Coach employees in career planning and ongoing skill development
- Provide advice, guidance and training to support managers and supervisors in understanding new programs and processes related to the management of their human resources

Accountability 7: Compliance (10%)

- Interpret, advise and ensure compliance with applicable employment legislation
- Ensure compliance with human resource policies and procedures
- Support the implementation of ongoing information technology and human resource programs

Skill & Competency Requirements

Core Competencies:

The necessary core competencies for this position include excellent problem-solving, critical thinking and collaboration. This individual will possess a high level of integrity, and an ability to build trust and demonstrate respect for people at all levels. Well-developed interpersonal communication skills and the ability to build and maintain strong relationships with employees, managers and Schools Committee members are also required.

Technical Competencies:

Required technical competencies for this position include well-developed general human resource skills. Effective organizational, planning, priority and time management skills are critical for this position. Proficiency in the use of technology and computer programs such as Microsoft Office, ADP payroll software and other human resource software is critical to the success of the role.

Education, Knowledge & Experience

This position will be of interest to candidates with:

- Three to five years of human resource generalist experience
- Thorough knowledge of current human resource practices and applicable employment legislation
- Certificate or Bachelor's Degree in business or human resource management
- CRHA designation is considered an asset
- A combination of education and experience will be considered
